

K-Love should be kept on the air because it is:

1. Source of encouragement
2. Is always uplifting
3. There is never a concern that I might hear something off color
4. It supports our local values
5. I listen only to Christian music and K-Love is my prime station
6. Especially in this day and time - WE NEED CHRISTIAN INFLUENCE IN OUR COMMUNITY STATE AND NATION!!!!!!
7. K-Love is critical to our well being. A LPFM would not provide the same service and would not be listened to by me.
